New Vivaro Life Electric Model Year 2024A

Choose Your Trim Level

Combi

With added versatility the Combi comes standard with numerous comfort and safety features to make it the perfect transportation vehicle to get the job done. It comes complete with a 10 inch HD touchscreen with wireless mirror screen and 4G connectivity.

Design

The Design is packed with practical features as standard to provide ample, comfortable and safe accommodation for all the family. It has 60/40 split bench seats and the third-row three-passenger bench seat is foldable for added flexibility. The door mirrors are electrically adjustable and heated and rear parking distance sensors help make for safer driving.

Ultimate

Ultimate is the most premium model of the Vivaro range. With keyless entry and start, Vauxhall Connect and a sophisticated HiFi pack, and top of the range tech, the Ultimate is specifically designed for luxurious comfortable travel.

New Vivaro Life Electric Range Highlights

Combi

Standard features include:

- Multimedia Pro
 - 10-inch HD touchscreen with wireless mirror screen
 - AM/FM/DAB digital radio
 - 4G connectivity
 - Voice control
 - USB connection
 - Two speakers and two tweeters
 - Vauxhall Connect
 - 16-inch steel wheels
 - Air conditioning
 - Electronic parking brake
 - Dual front passengers' seat with underseat storage
 - Second-row three-passenger 60/40 split bench seat with tilt function
 - Third-row three-passenger fixed bench seat
 - Electrically operated front windows
 - Nearside and offside sliding side-access doors with fixed windows
 - Tailgate with wash/wipe and heated rear window
 - Tyre pressure monitoring system
 - Remote control central deadlocking
 - Selective door locking
 - Electronic engine deadlock immobiliser
 - 10-inch colour digital instrument cluster
 - High Beam Assist
 - Automatic on/off headlight control
 - Rain-sensitive windscreen wipers
 - Intelligent Speed Assistance
 - Lane Keeping Assist
 - Advance Emergency Braking System
- Driver Attention Alert
 - Rear parking distance sensors
 - Paddles for regenerative braking selection.
 - Three levels – light; medium; strong

Design

Features over Combi models:

- Tinted privacy rear windows and tailgate
- Individual driver and passenger seats
- 60/40 split bench seat in second- and third-rows
- Electrically adjustable/heated door mirrors
- 17-inch steel wheels with full diameter trims
- Front fog lights
- Front and rear body-coloured bumpers
- Body-colour side protection mouldings
- Curtain airbags in second- and third-rows
- Mistral black Side Trim panels with Decorative Inserts
- Premium Roof trim (Woven)
- Acoustic pack (motor and cabin noise absorbers)
- Illuminated sunvisors and retractable handles
- Eco LED Headlamps with integrated DRL

Ultimate

Features over Design models:

- Connected Navigation
 - 10-inch HD touchscreen with wireless mirror screen
 - AM/FM/DAB digital radio
 - 4G connectivity
 - Voice control
 - USB connection
- HiFi Pack including amplifier – TOSCA premium speakers (includes four in row 1; four in row 2, central loudspeaker on dashboard and subwoofer)
- 17-inch bi-colour alloy wheels
- Electrically operated sliding side-access doors
- Leather seat trim
- Heated power driver's seat and heated front passenger's seat with massage facility
- Dual-zone electronic climate control with rear air conditioning
- Roof-mounted rear heater controls
- Rear parcel shelf
- Third-row three-passenger foldable 60/40 split individually sliding bench/single seat
- Rear seat back tables
- Front & Rear Park Assist
 - Visiopark 180
 - Blind spot detection
- Thick Floor carpet
- Heated Leather Steering Wheel
- Keyless Entry & Starting
- Automatic anti-dazzle rear view mirror

Effective 11 March 2024

Safety features

1. Dynamic surround view

Incorporates a digital rear-view mirror with cameras above the rear door and in the nearside exterior door mirror, extending the view of traditional rear view mirrors.

The system features include:

Side blind spot detection – Enables the driver to clearly see obstacles on the nearside.

Visiopark 180° rear parking camera – Working with 12 parking sensors enables safer reversing as the driver is now able to view a larger area via the digital display screen. Automatically activates when reverse gear is engaged or the rear doors are opened.

2. Intelligent speed assistance

Recognises speed limit signs and visually warns the driver of local restrictions followed by an acoustic warning if the limit is exceeded.

3. High beam assist

Switches the headlights between high beam and dipped beam automatically to avoid blinding other drivers.

4. Lane keep assist

If the driver has not actively steered or signalled, the system performs corrective steering actions to help prevent the vehicle crossing painted boundary lines or road side edges.

5. Active cruise control with stop and go facility

Maintains the speed set but if a slower vehicle is detected ahead, the system will automatically lower the vehicle speed to keep a safe distance – 19mph minimum with manual transmission. For models with automatic transmission, the system will bring the vehicle to a complete standstill if required.

Driver attention alert*

Monitors your time behind the wheel and sends a warning after two and three hours continuous driving. The system continues to analyse driving patterns via the front camera and steering wheel

movements, and then warns you when it's time to take a quick break.

Forward collision alert incorporating Advance Emergency Braking System (AEBS)*

This system alerts the driver of a potential collision through a combination of visual and audible warnings. Should the driver fail to react, autonomous emergency braking is triggered to help mitigate/avoid the impact by reducing the speed of the vehicle. AEBS provides additional assistance to optimise braking performance while a dynamic brake support function boosts pressure to help further minimise stopping distances.

Driver Assistance

Standard Features – The following features are standard across the entire New Vivaro Life Electric range. Specific features by model are outlined in the separate tabular information.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering
- Cruise control

Wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe

Vauxhall Connect*

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on models with Satellite Navigation only.

	17-inch diamond-cut alloy wheels • 215/60 R 17 tyres • Emergency tyre inflation kit (in lieu of spare wheel)				●

Specifications*

Single-speed electronic drive selector

All-electric single speed drive means there is no need for multiple gears. Instead the e-toggle enables the driver to select from the following:

- Park
- Reverse
- Neutral
- Drive

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

Drivetrain	New Vivaro Life Electric
CO ₂ emissions	0g/km
Maximum power	100kW (136PS)
Maximum torque	260Nm (192lb. ft.)
Acceleration 0 – 62mph	13.1 sec
Maximum speed	81mph
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Every 25,000 miles or 2 years (whichever comes sooner). Initial inspection at 12,500 miles or 1 year (whichever comes sooner)

The New Vivaro Life Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Specifications*

Charging

New Vivaro Life Electric comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all New Vivaro Life Electric models or with optional Multimedia Navi Pro).

Charging			
Supply	Socket	Charge Time (0 - 100%) - 50kWh	Charge Time (0 - 100%) - 75kWh
AC current - Domestic 3 pin socket (2.3kW)	Type 2	21h 45m	36h 45m (100%)
AC current - Home wallbox or public charger (7kW)	Type 2	7h 30m	11h 20m (100%)
AC current - Public charger (11kW)**	Type 2	5h	7h 30m (100%)
DC current - Rapid charger (100kW)	CCS	30m (0 - 80%)	45m (5 - 80%)

Battery		
Battery capacity	50kWh	75kWh
AC on-board charger speed (standard)	7.4kW	7.4kW
WLTP Range (Combined)	tbc	tbc
WLTP Range (City)	tbc	tbc
Energy consumption (Combined low/high)	25.3 - 25.7kWh/100km	tbc
Battery warranty	8 years/100,000 miles/70% capacity	8 years/100,000 miles/70% capacity
Range	139 mile	217 mile

The New Vivaro Life Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data. **Requires optional 11kW on board charger.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	M (Medium)	L (Long)
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)
Maximum load length – Behind front seats	2413 (95.0)	2763 (108.8)
Maximum width	1618 (63.7)	1618 (63.7)
Width between wheel arches	1228 (48.3)	1228 (48.3)
Maximum height	1337 (52.6)	1339 (52.7)
Loadspace Access		
Side door aperture height	1181 (46.5)	1181 (46.5)
Side door aperture width	933 (36.7)	933 (36.7)
Rear door aperture height	1181 (46.5)	1181 (46.5)
Rear door aperture width	1212 (47.7)	1212 (47.7)
Loading height – Maximum	653 (25.7)	664 (26.1)
Loading height – Minimum	584 (23.0)	584 (23.0)

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO₂

On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2023 – 24 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2023 – 24 tax year
0	-	2%
1 – 50	130+	2%
1 – 50	70 – 129	5%
1 – 50	40 – 69	8%
1 – 50	30 – 39	12%
1 – 50	<30	14%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

LEASYS

Leasys UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile.

Their team of experts can personally support you and provide dedicated consultation.

[Leasys](#) is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA).

For further information, please contact your local Vauxhall Retailer or visit leasys.com/uk

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £390 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	Standard rate Electric
A	0	£0
B	1 – 50	-
C	51 – 75	-
D	76 – 90	-
E	91 – 100	-
F	101 – 110	-
G	111 – 130	-
H	131 – 150	-
I	151 – 170	-
J	171 – 190	-
K	191 – 225	-
L	226 – 255	-
M	Over 255	-

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended* to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer
