Further information

At Vauxhall, we believe great cars are for everyone.

We believe technology works best when it's not just smart but is also simple and intuitive. Where everyone can feel the instant excitement of electric; can keep themselves and their loved ones safer on the road; and can stay connected to the things that matter most, simply and easily. We call it Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Our latest Mokka Price and Spec guide outlines the Pure Technology features model by model. Together with all the essential information you need to compare Prices, Technical Information and Specification plus details of our commitment to offer the best in Customer Care.

We're delighted you're considering the purchase of a new Mokka and hope this guide will help you make the right choice.

Design

17-inch alloy wheel.

CUSTOMERS ARE ADVISED TO ENSURE TO CHECK WHICH MODEL YEAR THEIR CONCERNED VEHICLE
IS BEFORE PURCHASING TO AVOID ERRORS

Griffin

17-inch alloy wheel.

Standard features include:

PureSense

- Rear parking distance sensors
- Panoramic rear-view camera
- LED headlights and tail lights
- LED daytime running lights
- High beam assist
- Lane departure warning with lane keep assist
- Extended traffic sign recognition
- Driver drowsiness alert
- Enhanced automatic emergency braking with pedestrian detection
- Forward collision alert (low speed)
- Cruise control with intelligent speed limiter
- Six airbags
- Hill start assist
- Remote control central locking
- Automatic lighting control with tunnel detection

PureConnect

- Multimedia Pure Panel system
 - 7-inch colour touchscreen
 - 7-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Front USB connection
- Six speakers
- Vauxhall Connect

Comfort and convenience

- Air conditioning
- Heated flat bottomed leather-effect steering wheel
- Electrically adjustable/heated door mirrors
- Steering wheel audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Automatic anti-dazzle rear-view mirror
- Keyless start
- Front centre armrest with storage
- Moveable boot floor

Interior

- Heated front seats
- Driver's seat (six-way adjustable)
- Front passenger's seat (four-way adjustable)
- Jet black fabric seat trim inserts
- Light grey fabric side bolsters
- Black facia with silver trim inserts
- Light grey trim inserts on front doors
- Grey headliner

Styling

- 17-inch silver alloy wheels with 215/60 R 17 tyres
- Body coloured front/rear bumper inserts
- Black painted rear spoiler
- Chrome-effect upper window moulding
- Dark-tinted rear windows
- Black roof
- Available in any exterior colour

GS

18-inch alloy wheel.

18-inch alloy wheel
(No-cost option).*

Features over and above Griffin:

PureSense

- Remote control ultrasonic security alarm system
- Sports switch with engine sound enhancement

PureConnect

- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 12-inch digital instrument cluster
 - Satellite Navigation
 - 2 rear USB connections
- Vauxhall Connect

Comfort and convenience

- Electronic climate control
- Rain-sensitive windscreen wipers (all models)
- Storage pockets on front seat backs
- Automatic anti-dazzle rear-view mirror (all models)

Interior

- Front passenger's seat (six-way adjustable)
- Minstral and jet black fabric leather-effect seat trim inserts
- Jet black fabric side bolsters
- Black facia with red trim inserts
- Black headliner

Styling

- 18-inch bi-colour alloy wheels with red accents and 215/55 R 18 tyres
- Red upper window moulding
- Black Griffin logo and vizer frame
- Black front/rear bumper inserts
- Alloy-effect sports pedals (auto only)

Ultimate

Petrol/Electric.

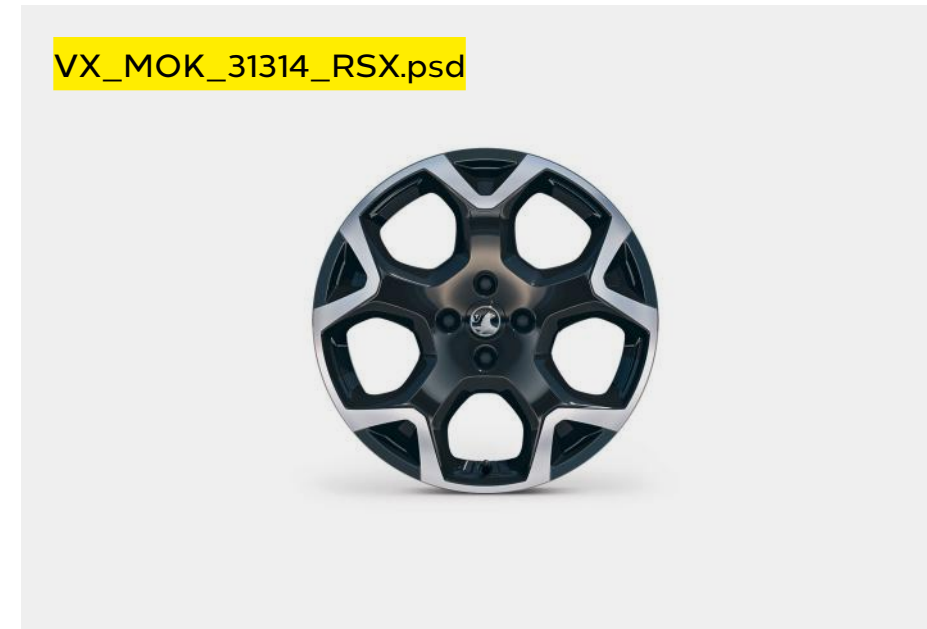

VX_MOK_e_34528.tif

Please note, model illustrated features black upper window surround available at no-extra cost.

Electric 156PS Electric

VX_MOK_34418.tif

VX_MOK_31314_RSX.psd

18-inch alloy wheel (Standard on 136PS Electric, no cost option on 156PS Electric)*

VX_MOK_e_34529.tif

18-inch alloy wheel (Standard on 156PS Electric only)*

Features over and above GS:

PureSense

- IntelliLux LED® Matrix headlights with advanced forward lighting
- LED front fog lights
- Front and rear parking distance sensors
- Adaptive cruise control
- Lane positioning assistant (auto models only)
- Side blind spot alert with flank guard
- Forward collision alert (all speed)
- Automatic headlight levelling system
- Automatic high beam assist

Comfort and convenience

- Electrically foldable door mirrors
- Moveable boot floor
- Keyless entry and start

Interior

- Driver's seat lumbar adjustment (four-way electrical)
- Driver's seat massage function
- Alcantara interior seat trim
- Black premium leather-effect side bolsters
- Black facia with silver trim inserts

Styling

- 18-inch bi-colour alloy wheels with 215/55 R 18 tyres
- 18-inch bi-colour alloy wheels with 195/60 R 18 tyres (Electric Long Range)
- Chrome-effect upper window moulding

Available to purchase from existing stock only.
Please contact your local Vauxhall Retailer for more information.

ALL MODELS ARE CURRENTLY CLOSED FOR NEW ORDERS AND ARE AVAILABLE FROM EXISTING STOCK ONLY

WLTP combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

PureConnect

Pure Panel digital display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment colour touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Multimedia – Griffin

Features

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface

- Apple CarPlay • Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Pro Navi – GS/Ultimate

Features over Multimedia

- 10-inch colour touchscreen • Satellite navigation system
- 2D/3D street level mapping • European coverage
- Points-of-interest search • Map updates via USB

Vauxhall Connect

Safety

The more you know, the safer your journey – that's why our smart tech and connected services keep you constantly updated on what's going on inside and outside your vehicle.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)

e-Remote control

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle's cabin temperature before you get in.

Convenience

- E-remote control (Electric only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

Live navigation plus†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts

Maintenance

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

PureEnergy – Electric

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park • Reverse • Neutral • Drive
- Braking (for increased regenerative braking)

Drive mode selector

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Charging

Mokka Electric is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard. Additional charging accessories are available at extra cost. For more details please consult your local Retailer.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or by using the infotainment system.

Drivetrain – Electric	50kWh	54kWh
CO ₂ emissions	0g/km	
Maximum power	100kW (136PS)	115kW (156PS)
Maximum torque	260Nm (192lb. ft.)	
Acceleration 0 – 62mph	9.2 sec	9.0 sec
Maximum speed	93mph	
Transmission	Automatic electric drive with fixed gear ratio	
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)	
Battery	50kWh	54kWh
Battery capacity	50kWh	54kWh
AC on-board charger speed	11kW	
EAER (WLTP)*	212 miles	252 miles
Energy consumption (WLTP)*	15.9 – 16.1kWh/100km	15.3 – 15.5kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity	
Charging (Supply)	Socket	Charge Time (0 – 100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current – Public charger (11kW)	Type 2	5h
DC current – Rapid charger (100kW)	CCS	30m (0 – 80%)
Charging cables	11kW on-board charger	
Mode 3, 3-phase 22kW cable	Standard	

The Mokka Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

EAER = Equivalent All Electric Range. *WLTP preliminary.

Specifications

Transmissions

Drive mode selector (auto-only)

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Steering

- Single pinion electrical power steering

Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

Electric motor

- Front ventilated discs: 302mm diameter
- Rear discs: 268mm diameter

Exterior dimensions – mm (inches)	Mokka Electric
Length	4151 (163.42)
Width (with mirrors)	1791 (70.52)
Height	1531 (60.3)
Wheelbase	2561 (100.83)
Loadspace dimensions – mm (inches)	Mokka Electric
Maximum length behind rear seats	667 (26.3)
Maximum length rear seats folded	1418 (55.8)
Maximum width	1021 (40.2)
Maximum height	780 (30.7)
Luggage capacities – Litres (cu.ft.)	Mokka Electric
Rear seats up (under luggage compartment cover)	310 (10.9)
Rear seats folded (to roof)	1060 (37.4)

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Company car driver and fleet information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO₂

On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2024 – 25 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

To calculate your own personal liability, click the link [Vauxhall BiK Tool](#)

Vehicle Excise Duty†

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £410 is payable for five years after registration.

VED Band	CO ₂ (g/km)	First year rate Petrol/ Diesel	First year rate Hybrid/ Electric
A	0	£0	£0
B	1 – 50	£10	£0
C	51 – 75	£30	£20
D	76 – 90	£135	£125
E	91 – 100	£175	£165
F	101 – 110	£195	£185
G	111 – 130	£220	£210
H	131 – 150	£270	£260
I	151 – 170	£680	£670
J	171 – 190	£1,095	£1,085
K	191 – 225	£1,650	£1,640
L	226 – 255	£2,340	£2,330
M	Over 255	£2,745	£2,735

†Correct at time of issue.

Further information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation

- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

LEASYS

Leasys UK
