Proud Sponsor of Home Nations Football

Customer offers effective
2 July 2013 to 1 October 2013
(subject to exclusions and conditions)

* = Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee/indemnity may be required. Finance supplied by either Vauxhall Motor Finance RH1 1SR or Vauxhall Finance, PO Box 6666, Cardiff CF15 7YT.

CASCADA CUSTOMER OFFERS

With our unique Flexible Finance programme you can now take advantage of an unbeatable finance rate with no minimum deposit, and a payment term to suit you of anywhere between 24 months and 60 months. For even more great deals contact your local retailer or call 0845 600 1500 or visit www.offers.vauxhall.co.uk

TERMS AND CONDITIONS

All offers described are available on vehicles ordered or registered between 2 July 2013 and 1 October 2013 inclusive. Offer prices quoted are correct at the time of publication (July 2013). Prices are subject to change. In line with Vauxhall's policy of price transparency, the offer price shown is an on-the-road price including 20% VAT, number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Government Vehicle Excise Duty (variable depending upon model) and the DVLA's new vehicle first registration fee of £55.00. Excludes fuel and insurance. Offers may not apply to retailer stocks and are subject to availability. Restrictions may apply. Contact your retailer for details.

FINANCE OFFER

Eligibility: Available on selected models only, at participating retailers. Offer will apply to private individuals, Vauxhall Partners and small businesses 1-24 (purchase only excluding B2B supported units). All other customers are excluded. Refer to www.vauxhall.co.uk/offers or contact your local Vauxhall Retailer for details. Flexible Finance is available with no minimum deposit and with a payment term of anywhere between 24 months and 60 months. **Finance Provider:** Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee/indemnity may be required. Finance supplied by either Vauxhall Motor Finance RH1 1SR or Vauxhall Finance, PO Box 6666, Cardiff CF15 7YT. Offer available on orders or registrations before 1 October 2013. Not available in conjunction with any other Finance offers.

CASCADA COMPANY CAR DRIVER/FLEET INFORMATION

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Ampera, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive
www.vauxhall3dtd.co.uk
or call **0870 240 4848****

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit www.vauxhall-toolbox.co.uk or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Cascada SE 2.0CDTi 16v (165PS) Start/Stop (CO ₂ emissions 138g/km)	
On-the-road RRP	£25500.00
Deduct: Vehicle Excise Duty	(£125.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25320.00
Add: Optional two-coat metallic paint	£525.00
List price for tax purposes (P11D value)	£25845.00

Car benefit charge	
2013-14 tax year (22%)	£5685.00
Benefit in kind tax liability (2013-14 tax year)	
Basic Rate (20%) tax payer	£1137.00
Higher Rate (40%) tax payer	£2274.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2013-14 tax year	Diesel 2013-14 tax year
up to 75	5	8
76-94	10	13
95-99	11	14

CASCADA FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Active-safety front seat head restraints • Height-adjustable front and rear seat head restraints • Four lap and diagonal inertia-reel seatbelts • Front and rear body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • ISOFIX child seat restraint system for rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Hydraulic brake fade assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency brake assist – Increases brake force applied in emergency braking situations • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Active rollover protection system • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

Pedestrian: • Multi-pivot bonnet hinges – Allows the bonnet to move downwards cushioning any impact • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

Additional features	SE	Elite	Price (£) exc. VAT	Total (£) inc. VAT
Electronic front seatbelt presenters		●		
Tyre pressure monitoring system	○	○	116.67	140.00

SECURITY

Standard features • Remote control ultrasonic security alarm system • Driver's internal central locking switch • 'Key left in ignition' audible warning • Electronic theft protection for audio equipment • Remote control central deadlocking (doors, boot lid, fuel filler flap) • Electronic engine deadlock immobiliser • Visible Vehicle Identification Number (VIN) plate • Freewheeling door locks • Locking wheel nuts for alloy wheels

HEATING AND VENTILATION

Standard features • Air conditioning with air recirculation • Air blend heater with six-speed fan • Side window demist vents and adjustable face-level air vents • Interior pollen filter • Rear passenger compartment heating outlets

SATELLITE NAVIGATION

The optional Navi 600/Navi 900 satellite navigation system offers dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. The system will use known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The SD card supplied with the system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads across more than 30 European countries. Additional country-specific maps with street level detail are available to download. The navigation data is loaded onto the unit's internal flash memory for fast access. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

USB CONNECTION

Fitted as standard, the USB connection is located alongside the aux-in within the centre console. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in only allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

DIGITAL MULTI-MEDIA BROADCAST (DMB) DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

BLUETOOTH® MOBILE PHONE SYSTEM WITH VOICE ACTIVATION

Vauxhall's dual-band Bluetooth® system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control for certain functions.

All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

Fuel consumption and CO₂ emission data complies with the relevant EU testing regulations used by vehicle manufacturers to enable comparisons between different models. **Important:** Please note fuel consumption can be affected by many factors including driving style, road and traffic conditions, vehicle mileage and standard of maintenance. In addition these results relate to the particular vehicle tested, inevitably there will be differences between individual vehicles of the same model.

CASCADA SPECIFICATIONS

TRANSMISSION

Six-speed manual gearbox

Standard on: 1.4i 16v VVT Turbo (140PS)/
2.0CDTi 16v (165PS)/2.0CDTi 16v (195PS) BiTurbo.

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is standard on 1.6i 16v SIDI Turbo (170PS) and optional on 2.0CDTi 16v (165PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– 11.8m (38.3ft.)

SUSPENSION

The HiPerStrut (High Performance Strut) front suspension improves grip and allows more power to be applied during cornering. The reduced kingpin angle means less camber loss, which allows the front tyres to retain more of their contact patch with the road during cornering, therefore delaying the onset of understeer. The shorter spindle length significantly reduces torque steer reactions and improves resistance to steering kickback through uneven bends.

Front: Independent. HiPerStrut sports suspension with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with Watt's link and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Electric parking brake with Hill start assist

FUEL TANK CAPACITY

All models: 56 litres (12.3 gallons)

VAUXHALL LIFETIME WARRANTY

We're so confident in Vauxhall quality and reliability that we are now able to offer a lifetime warranty. Available to the first owner of all new Vauxhall passenger cars, it's valid for the lifetime of the vehicle up to a maximum of 100,000 miles*.

In addition our warranty also includes Vauxhall Assistance for 12 months from first registration and six years body panel anti-perforation warranty. Full details of Vauxhall's warranties including terms, conditions and exclusions can be obtained through any authorised Vauxhall Retailer or go to www.vauxhall.co.uk/warranty

**LIFETIME
WARRANTY 100,000 MILE**

*Vauxhall Lifetime Warranty covers lifetime ownership of first car owner, 100,000 mile limit, annual check required. The warranty excludes wear and tear and serviceable items and the vehicle must be serviced in accordance with the manufacturer's servicing schedule to continue the lifetime warranty. Terms and conditions apply. Offer available to all Vauxhall passenger cars. (this offer does not apply to car-derived vans) from 1st August 2010.

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i 16v VVT Turbo (140PS) Start/Stop	2110	1250 (750)
1.6i 16v SIDI Turbo (170PS) (automatic)	2150	1300 (750)
2.0CDTi 16v (165PS) Start/Stop	2200	1250 (750)
2.0CDTi 16v (165PS) (automatic)	2215	1300 (750)
2.0CDTi 16v (195PS) BiTurbo Start/Stop	2215	1300 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Rear seats down (roof open)	650 (22.9)

* = Measured using the ECIE method.

CASCADA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions	First year rate	Standard rate
Band A	up to 100g/km	£0.00	£0.00
Band B	101-110g/km	£0.00	£20.00
Band C	111-120g/km	£0.00	£30.00
Band D	121-130g/km	£0.00	£105.00
Band E	131-140g/km	£125.00	£125.00
Band F	141-150g/km	£140.00	£140.00
Band G	151-165g/km	£175.00	£175.00
Band H	166-175g/km	£285.00	£200.00
Band I	176-185g/km	£335.00	£220.00
Band J	186-200g/km	£475.00	£260.00
Band K	201-225g/km	£620.00	£280.00
Band L	226-255g/km	£840.00	£475.00
Band M	over 255g/km	£1065.00	£490.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

MASTERFIT

Vauxhall's MasterFit retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please call **0845 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits*

- Competitive premiums
- Repairs by a Vauxhall technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer**
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670†**

*The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.
**Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.
† Calls may be recorded. Vauxhall Motor Insurance is underwritten by Ageas Insurance Limited.
