NEW COMBO NEW CAPABILITIES

Want to give your business a lift? Then get yourself a vehicle that delivers a list of commercial firsts. The New Combo from Vauxhall can haul up to a tonne. In addition, not only does it have one of the longest and most spacious load areas in its class but it has the highest rear axle weight and the largest rear door opening; coupled with a useful, low rear loading height. It even has ultra-low fuel consumption figures of 58.9mpg (for the 1.3CDTi model with Start/Stop). It's also practical, dependable and versatile, with long wheelbase and high roof models now available. With capabilities such as these, New Combo can really help your business deliver.

The vehicles illustrated within this brochure may not necessarily represent the correct final UK specification and not all the features described are available on every model.

➤ LOADED WITH INNOVATION

At a massive 3.4cu.m for the standard wheelbase version, there's no mistaking New Combo's cavernous load area. But you won't notice one of its most impressive features until you actually get in and drive the vehicle. New Combo's bi-link independent rear suspension gives you the best possible ride quality and handling – even when you're hauling heavy loads. New Combo. Built to perform. Built to last.

1. Load up Open the rear doors of the standard wheelbase New Combo and you're looking at a record holder. Quite simply, it has the biggest payload in its class. It also boasts one of the longest and most spacious load areas plus a low rear loading height, so there's less chance of straining your back while working.

The doors themselves are asymmetrical, allowing easier loading/unloading in confined spaces. Just as practical are the options that let you adapt New Combo to the individual demands of your business.

2. Cab design New Combo's stylish yet functional fascia has been carefully designed around the driver, with all controls falling readily to hand. Extra-durable materials give the cab a reassuring solidity.

Comfort and storage New Combo guarantees outstanding all-day driving comfort and storage facilities abound, including plenty of space for odds and ends.

Infotainment All New Combo models boast a CD player/radio as standard. Upgrade to include Bluetooth®* connectivity for compatible mobile phones.

3. Ladder carrier Fit these optional bars in your van and you can fix a foldable ladder out of sight under the roof where it won't get in the way of your other gear.

Additional load features A full height bulkhead – with optional glazing – provides valuable protection against shifting loads, while glazed rear door options enhance rear visibility.

*Available as part of Driver pack. **Not all features and options listed are available on every model. For full details please refer to the New Combo Price and Specification Guide available from your Vauxhall Commercial Vehicle retailer.

- Glazed rear doors and bulkhead
- Glazed rear tailgate
- Rear roof flap
- Load area ladder storage bars

ENGINES AND TRANSMISSIONS

How well a vehicle holds a load is one thing.
How well it shifts that load is another...

New Combo doesn't only ride and handle like a dream; it also performs with remarkable verve for what is, to all intents and purposes, a working vehicle. Drivers can select from five powerful yet efficient Euro 5 compliant turbo-diesel engines, all designed for optimum ease of serviceability and low running costs. The range comprises 1.3CDTi 16v (90PS), 1.3CDTi 16v (90PS) Start/Stop, 1.6CDTi 16v (105PS) Start/Stop and 2.0CDTi 16v (135PS) Start/Stop units.

There is also a 1.6CDTi 16v (90PS) option complete with Start/Stop and Tecshift transmission. Start/Stop switches the engine off when you stop at the lights or in traffic, then restarts it once the clutch is depressed, cutting fuel bills and reducing emissions. A choice of ecoFLEX models further underlines Vauxhall's 'eco' credentials, while New Combo drivers can also look forward to long service intervals (up to 21,000 miles or one year) and class-leading fuel consumption for the 1.3CDTi 16v (90PS) engine.

ENGINES							
	Maximum power	Maximum torque	Fuel economy mpg (litres/100km)*			CO ₂ emissions (g/km)*	
			Urban driving	Extra-urban driving	Combined figure		
Diesel							
1.3 CDTi 16v (90PS)	90PS (66kW) @ 4000rpm	200Nm (147 lb.ft) @ 1500rpm	42.8 (6.6) – 43.5 (6.5)	65.7 (4.3) – 67.3 (4.2)	55.4 (5.1) – 56.5 (5.0)	136 – 133	
1.3 CDTi 16v (90PS) Start/Stop	90PS (66kW) @ 4000rpm	200Nm (147 lb.ft) @ 1500rpm	47.1 (6.0) – 47.9 (5.9)	65.7 (4.3) – 67.3 (4.2)	57.6 (4.9) – 58.9 (4.8)	129 – 126	
1.3 CDTi 16v (90PS) ecoFLEX Start/Stop	90PS (66kW) @ 4000rpm	200Nm (147 lb.ft) @ 1500rpm	47.9 (5.9)	67.3 (4.2)	58.9 (4.8)	126	
1.6 CDTi 16v (105PS) Start/Stop	105PS (77kW) @ 4000rpm	290Nm (214 lb.ft) @ 1500rpm	44.8 (6.3) – 45.6 (6.2)	55.4 (5.1) – 61.4 (4.6)	51.4 (5.5) – 54.3 (5.2)	146 – 136	
1.6 CDTi 16v (90PS) Start/Stop Tecshift	90PS (66kW) @ 4000rpm	200Nm (147 lb.ft) @ 1500rpm	50.4 (5.6) – 51.4 (5.5)	54.3 (5.2) – 61.4 (4.6)	53.3 (5.3) – 57.6 (4.9)	140 – 130	
2.0 CDTi 16v (135PS) Start/Stop	135PS (99kW) @ 3500rpm	320Nm (236 lb.ft) @ 1500rpm	43.5 (6.5)	55.4 (5.1)	50.4 (5.6)	148	

*Provisional at time of publication (October 2011). For full model availability please refer to the New Combo Price and Specification Guide.

THE COMBO COLLECTION

There's a New Combo to suit all businesses – and all budgets. Here's a brief overview of the models available.

To help you choose the New Combo that's just right for your business, we've adopted a new, customer-friendly naming scheme. L stands for Length: there are two versions available, L1 (short wheelbase) and L2 (long wheelbase). Height (H) comes in two sizes, H1 (standard roof) and H2 (high roof). For details of the complete model line up, please refer to the New Combo Price and Specification Guide.

L1 H1: New Combo with standard wheelbase and standard roof. The consummate all-rounder, with up to 3.4cu.m of loadspace. Note: the standard wheelbase New Combo is one of the widest and longest vans in its class!

L1 H2: New Combo with standard wheelbase and high roof. The high and the mighty, with 4.0cu.m of loadspace.

L2 H1: New Combo with long wheelbase and standard roof. The 3.1m wheelbase gives you up to 4.2cu.m of cargo volume.

New Combo with standard or high roof. The high roof adds an extra 25cm compared to the standard version.

PANEL VAN		
Loadspace dimensions	mm	inches
Maximum rear door aperture heights	1250-1455	49.2-57.2
Maximum rear door aperture width	1231	48.5
Maximum load area heights	1305-1550	51.4-61.0
Maximum load area width	1714	67.5
Width between wheel arches	1230	48.4
Maximum load floor lengths	1820-2170	71.7-85.4
Loading heights (unladen)	545	21.4
Sliding side-access door aperture height	1175	46.2
Sliding side-access door aperture width	700	27.5
Loadspace volume	cu.m	cu.ft
Maximum loadspace volumes (VDA method)	3.4-4.2	120-148
Payloads	kg	
Maximum payload	750-1000	

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company car and van taxation and finance. For further information please call **0870 010 0651**.

Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new vehicle warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Vauxhall Commercial Vehicle retailer.

When you have finished with this brochure please recycle it

Business Lease

Business Lease, from GMAC, offers the versatility of a purchase-based finance plan, while making the most efficient use of tax and cash-flow benefits for VAT-registered business users. It's available for all Vauxhall Commercial Vehicles up to 12 months old and offers highly flexible term lengths, variable deposits and a choice of payment profiles. Ask your retailer for full details.

Business First

Available to business users only, Business First enables you to drive a new vehicle without a large, initial financial outlay. You pay to use the vehicle, not to own it. The vehicle is provided over a predetermined period, and when that period comes to an end the vehicle is returned. Ask your retailer for full details.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. Nationwide there are over 250 light commercial vehicle retailers and a further 195 heavy commercial vehicle retailers.

In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Premier Service Centres

Our Premier Service Centres feature a guaranteed same day repair service (provided the parts are in stock) and an appointment-free service for diagnosis and repairs taking less than 90 minutes. All repairs are carried out within 24 hours of the diagnosis.

For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest retailer, call **0845 600 1500**.
