Excite Accessories

Vauxhall Genuine Accessories are the right choice for your Excite model. You'll find lots of accessories that will help you derive even more excitement from your Vauxhall.

Whatever you're into, there's certain to be an accessory with your name on it. We've only featured a small selection of what's available here. For more details, refer to the Vauxhall Car Accessory Brochure and Car and Accessory Price Guide or check out our website at:

www.vauxhall.co.uk/accessories

VXR styling products allow you to connect with the performance and excitement at the heart of the VXR brand. Taking the same ethos as our brief we have created a definitive line-up of VXR styling products that will add a degree of individuality to any new Excite model.

VXR Styling Pack. This pack is available on all Excite models as separate accessories fitted by your Vauxhall retailer.

Styling products include:
 Front lower spoiler
 Rear lower skirt
 Rear roof spoiler [1]
 Side sills

Base carrier and roof box. [2] The Vauxhall roof rack system begins with a lockable base carrier system, comprising two T-track roof bars which support a wide range of attachments designed by Thule. These include bicycle carriers, ski carriers and a range of roof boxes that are all lockable and easy-to-fit (available separately).

Child seats. [3] The rear facing Baby-Safe (up to 13kg) and KID (15-36kg) seats are fixed with a standard lap and diagonal seatbelt. The DUO ISOFIX (9-18kg) can also be attached using the ISOFIX child seat restraint fittings (complete with top tether on most models) standard on the outer rear seats of all new Excite models in the range.

Semi-rigid cargo liner. [4] Protect the load area with a semi-rigid moulded plastic liner. Designed with lipped sides specifically for each model in the Excite range it provides maximum protection yet is easily removed for cleaning.

Privacy shades. [6] Available for the rear side windows and tailgate glass of all the Excite models in the range, they provide shade from the sun when required, yet still allow the window to be lowered with the shades in place.

Rear parking distance sensors. [5] Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 30cm away.

Floor mats. [7] A range of floor mats are available for each Excite model and have unique fixing points to keep them firmly in place.
